

# Winter

One cold frosty morning Natasha and Chantelle woke up and opened the bedroom curtains in excitement. It was a wintry morning. It was snowing. They pulled on their clothes and out they went.

Chantelle made a snow man. But Natasha was still inside. Chantelle shouted "Natasha can you get me some jelly two beans and a carrot?" Natasha grabbed a carrot but there was no jelly beans.

Natasha raced out to the snowman. "I have two sticks here". She stuck them on.

Lets go inside and go back to bed.
