

France!!

France is a country in Europe.

Spain, Germany, Belgium and Italy are countries that touch France.

Paris is the capital of France. Paris is built on the River Seine. The Loire and Seine and are the main rivers in France. Mont Blanc is the highest mountain in France. It is in the Alps. It is 4807m high .The south of France is warmer then the east, west and the north because it is closer to the equator.
