

## On the farm

One morning on a farm a farmer named John was feeding his animals with his kids Ben and Alice. When Ben went over to feed Scout the dog he was gone!

So Ben rushed inside to get his mum Rose and the others. "Mom Dad Alice! Scout is gone!" he said. "oh no!" said Alice. "Do not worry we will find him", cried dad. So Ben Alice John and Rose set off to find Scout.

During that day Ben and Alice and their parents were half way up a mountain searching. When they got up to the top Scout was lying in the soft green grass.

"Scout!" called Ben "there you are". And then Ben gave Scout a belly rub. So Scout Ben Alice and their parents strolled down the mountain. When they got home Ben rushed inside and got a dog treat for Scout.
