

# *Sareinas dress*

long ago there was a girl called Sareina who was invited to her friend's party in England. Sareina wanted a fancy dress for the party. The party was going to be held on November 16<sup>th</sup>. She had only 24 hours left!

She needed a dress but when she arrived at the shop it was closed. So she went into another shop and looked around in it but there was nothing fancy in the shop.

While she was walking disappointedly home she saw a shop that was open. As she was slowly walking past the window she noticed a lovely fancy dress in through the window. It was purple with golden diamonds on it so she bought it. It was beautiful.

She wore her purple dress with golden diamonds to the party everyone thought it was very beautiful too.
