

Snakes and Ladders!!!!!!!

Goal: To play snakes and ladders.

You will need: Counters, snakes and ladders board and dice.

Method:

- **Step1: Place the counters on the first number on the board.**
- **Step2: The player that starts the game rolls the dice.**
- **Step3: Move your counter the amount of places shown on the dice.**
- **Step4: When you move, if you land on a snakes head you have to go down the snake. If you land on the bottom of a ladder you go up the ladder.**
- **Step 5: If the player rolls the dice and rolls a six they get to roll again.**
- **Step6: The first player that gets to 100 wins.**

Test: If you follow these instructions correctly you will have fun playing Snakes and Ladders.
