**Goal:** To play a fun and exciting game of tag.

**Equipment:** You will need lots of people.

**Method:**

**Step 1:** Decide fairly who will be on.

**Step 2:** Everyone has to run away from the person who is on.

**Step 3:** The person who is on has to try and catch everyone else.

**Step 4:** The people that are not on have to run away from the person that is on.

**Step 5:** If the person that is on catches you, you're on instead of that person and the person that was on, has to run away from you along with the other people.
