## How to play a game of Badminton!

**Equipment:** Badminton racket and a shuttlecock

### Instructions:

**Step 1:** You will need one player on each side of the court if you want to play singles.

**Step 2:** You will need two players on each side on the court to if you want play doubles.

**Step 3:** Hold the racket in the hand you're comfortable using [For example you're writing hand]

**Step 4:** Place the shuttlecock in your opposite hand.

**Step 5:** Hold the shuttlecock out in front of you with two fingers.

**Step 6:** Swing the racket up to the shuttlecock, let go of the shuttlecock and hit it to the other side of the court. This is called a serve.

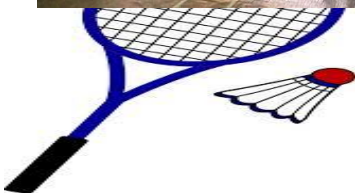

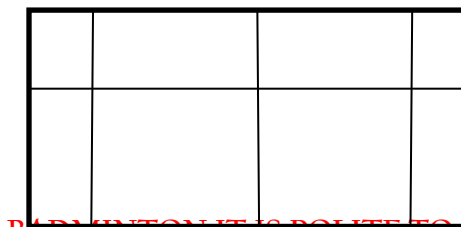

**Step 7:** If you serve and the shuttlecock lands before the white line on the court, the shot is out, you do not score and it is the other persons turn to serve.

**Step 8:** If the shuttle goes outside the court, the other person gets a point and the serve.

**Step 9:** The first person to score 11 points wins.
